Exceptional Smiles for Exceptional People
Dr. Eric Baugher practices for 21 years and Dr. Jennifer Chubbey practices for 20 years have the experience working with patients of all ages and all orthodontic needs. Our doctors treat each case for each individual smile and work together with our patients for the best possible outcomes. It is never too late for that exceptional smile you have always wanted! Here are two reviews from our exceptional patients:
"Staff and doctors have always been kind and professional. My daughter is well treated here from average care and they have always been what we need and necessary to strengthen her beautiful smile! I hope you can help her from off soon that you can already see how nice they look. Very proud!"
"Being an older patient was kind of skeptical at first about getting braces on my teeth but the staff was very helpful in explaining the process. The staff is so nice and accommodating! Never have to wait very long for your appointment time. Orthodontics are friendly and patient with you. Listen to you and we have been to make sure everything is perfect in all visits. Highly recommend!" -CH
